State-Against-State

Point-score Competition

Given the success of our NPOTY Interstate Exhibitors each year, in 2018, we will be introducing a State Point-score to promote competitive but friendly banter amongst our Competitors. We hope that with the introduction of our point-score competition, states will get together and organise floats and trucks to bring as many ponies as possible to the 2018 National Pony of the Year Show.

Given that most of your exhibitors are from NSW, to even up the competition, the points can be gained from major awards only as follows:
