411. The BECKETT FAMILY TROPHY- Open Champion Boy or Girl Rider under 17 years

Whoever wins this trophy and prize money will have worked hard for it. Just sitting on a horse and looking good doesn't cut it. The Judge can see when the person in the saddle is actually riding the horse. A good mount will usually know what to do however the rider has to demonstrate that he or she is in charge and that the horse is responding to the subtle commands being transmitted via the hands, the seat and the legs. Of course a lot of credit has to go to the parents who give the time and attention necessary for the young rider and horse to really enjoy their partnership. Margaret Beckett.
