A MESSAGE FROM OUR PRESIDENT

It is with great pleasure that I can again write this welcoming letter for the Moss Vale A.H & I Society. The last twelve months has been what I consider a very good year for the show society.

The show last year was a fantastic event showing many extremely fine animals, produce, arts & crafts, entertainment etc. I was extremely proud of this show, I thought it had just the perfect feel and atmosphere for a genuine country show. I would like to personally thank all the committee and their huge band of helpers that made this fantastic show the success it was. It was also pleasing to see that we also made a small profit, although this is getting more and more difficult as time goes on. The huge costs associated with holding a large event like our show are escalating at such a huge rate it is getting very difficult to make a profit. Therefore, looking into the future, we will need to seek more and more income from other sources if we are to stay profitable and still put on such a great event each year.

I must say that the camping has really taken off and has exceeded all my expectations, this is now becoming our greatest money source.

These last twelve months we have introduced to the committee some risk management strategies' which we will need to really focus on moving forward to stay financially healthy. We need to be actively showing that we understand and can manage all our risks effectively. If we don't do this the risk is very high of going broke very quickly.

As a committee, we are currently developing and embracing modern technologies which I hope will put us in a good position to keep growing in what are very difficult times. The laws and regulations are continually changing and our band of helpers seems to be continually decreasing. If we don't continue to keep ahead with technology to maintain compliances etc. will die in my belief.

This year for the first time since I have been a member of this show society I felt that we have started to make some good improvements to our assets. We have completed some good risk management type maintenance on the trees around the ground and this is ongoing, we have made some major improvements to the roads. The ground improvements have also been very good and we are constantly now getting great reports on how good the grounds are. I would also like to thank Steve and Carol Simpson for their tireless efforts at our show ground. They have spent a huge amount of time on the show ground cleaning, mowing and generally maintaining our beautiful assets. Well done Steve and Carol.

Personally, I would like to thank all those that have supported the society throughout the year, without your help nothing would have been achieved. Well done to the committee for what I would consider a very good year.

Brian Spence, President.

HORSE SECTION – Regulations

All competition at this show is governed by these regulations and by the Agricultural Societies Council of NSW Rules for Discipline in Horse Sections at Shows which can be viewed at www.aqshowsnsw.org.au. Should it become necessary for the ASC Disciplinary Committee to open an inquiry into any aspect of competition in this Horse Section, this Society will support any penalty imposed by that Committee as a result of the inquiry and will support penalties resulting from enquiries arising from Horse Sections at other NSW shows.

INDEMNITY AND WAIVER FORMS: The Horse Committee will take all care in managing the Section, but competitors taking part in this Horse Section do so at their own risk. Each adult competitor must, before competing, complete and sign a form indemnifying the Moss Vale & district A H & I Show Society Inc. and waiving any claims against the Society for any injury sustained in competition or for loss or damage to the competitor's property or damage caused by the competitor or his/her animal(s) at the Show. A similar form must also be completed and signed by a parent or guardian for each competitor who is under 18 years of age. ALSO, on each Waiver each horse with which the competitor is involved in competition at the Show must be listed together with the Property Identification Code (PIC) of the property from which the horse came to the Show.

All competitors must wear the wristband issued when the waiver is signed. People not competing or people who have not signed the waiver and are not wearing a wristband are not permitted to be on the judging arena.

Refusal of Entry/Alteration of Schedule: The committee reserves the right to refuse an entry without assigning any reason for doing so and to alter the schedule to meet emerging circumstances.

Exercising: Horses may be exercised in the main arena between 7.00am and 8.30am.

Judge's Decision/Discretion: The judge is empowered to withhold any or all prizes in any class where the exhibits are, in his/her opinion, unworthy of the prize, and at all times the judge's decision will be final. A judge has the discretion to ask that a led or performance exhibit and handler / rider / driver be ordered to leave the ring if he/she considers the animal is unruly and/or likely to cause an accident.

District/Local Classes: Horses and/or riders must have been resident for at least three months prior to the show within a 50 kilometre radius of the Showground.

Members Classes: For financial members of the Moss Vale & District A H & I Society Inc.

Novice Hack, Galloway, Pony: A Novice has not won a First Place at any Show.

Show Hunters: Horses in these classes may not also compete in Ridden Hack, Galloway or Pony classes.

Ridden Hack, Galloway, Pony: Horses in these classes may not also compete in Show Hunter classes.

Stallions: Stallions must be wearing a bit at all times when being led and must be under the control of a person 17 years of age or older. They must be supervised at all times and securely fastened when tied to the outside of a truck or float. They are not eligible to compete in ridden classes unless their eligibility is specifically stated in the schedule.

Ponies with Adult Riders: Ponies may be ridden by adults unless otherwise stated in the schedule.

Lateness to the Ring: Competitors must be ready when called. Once judging has commenced, a competing horse shall not be led, ridden or driven into or out of the judging ring without the permission of the judge and/or the Ringmaster or Chief Steward.

Leaving the Ring: If a led horse should drag or escape from its handler or a ridden or driven horse takes control of or unseats its rider and leaves the ring, it is usually disqualified from the class.

Horse Measuring: No official measuring will take place at the show, but, if a question about height arises, proof of height may be required. In the absence of proof, a decision will be at the absolute discretion of the Ring Master or Chief Steward.

Attire: Competitors must be appropriately attired for the competition in which they are competing.

Helmets: All riders must wear a safety helmet compliant with the current Australian Standard.

Footwear: All competitors must wear appropriate footwear when leading or riding a horse. When riding, the footwear must enable removal of the foot from the stirrup.

Cruelty: Persons who are considered by the Ringmaster or Chief Steward to be abusive or cruel to a horse will be expelled from the ground. No horse will be permitted to compete if, in the opinion of the Ringmaster or Chief Steward, it is in poor health or condition.

Drugs: Drug testing may be carried out at this show.

Approaching Judges: No exhibitor or associate will initiate conversation with a judge on judging day, before, during or after judging except through the Ringmaster or Chief Steward.

Prohibited Relationship: No competitor will present for judging before a judge with whom he/she has a family relationship, has or has recently had a personal relationship or has had horse related business dealings during the past twelve months.

Coaching: Any person detected coaching a competitor while that competitor is being judged may be removed from the Showground.

Proper Conduct: Any exhibitor or associate who behaves offensively on the Showground will be expelled from the ground, may be banned from the show in future and may be banned by other Societies.

Protests: A protest or complaint against any exhibit or exhibitor may be lodged verbally with the Ringmaster or Chief Steward no later than ten minutes after the judging of the exhibit or exhibitor. The Ringmaster or Chief Steward must be provided with the exact nature of the complaint and act, if necessary, to maintain competitive fairness. The Ringmaster or Chief Steward may choose to refer the matter to the Protests Committee, which shall comprise the President of the Society, or a Vice President and two other members of the General Committee. A protest or complaint or an appeal against the decision of the Ringmaster or Chief Steward may be lodged in writing with the Secretary no later than 10 pm on the day of judging. Such protest, complaint or appeal shall be accompanied by a deposit of \$50 which shall be forfeited if the protest, complaint or appeal proves to be frivolous or vexatious. A matter lodged this way shall be dealt with by the Protests Committee within 24 hours of lodgement and the decision of the Protest Committee shall be final. NB: No protest or complaint will be considered if it refers simply to a judge's decision.

Veterinarian: The Moss Vale & District A H & I Society Inc. will take all care in managing the event but will not be responsible for any injuries to livestock whilst on its ground. A veterinarian will be available on call during the Show.

- Judging:** The Pavilion is not open to the public during judging and no persons will be permitted after the staging times. We would much appreciate this condition being adhered to. Exhibitors shall accept the decision of the judge or judges as appointed by the chief steward. The judge will not award prizes to exhibits that are not considered to be of sufficient merit. A '**Highly Commended**' award can be added to a class at the Judge's discretion, if they feel it is warranted.

9am TUESDAY 14th MARCH or 9am THURSDAY 16th MARCH
depending on which day the Section is being judged**

2. **Standard of Exhibits:** Stewards reserve the right to reject any exhibit not up to show standard. Stewards may change exhibits between sections and classes, and may also make the decision whether exhibits are as per schedule.
3. **Exhibits:** It is a condition of entry that each exhibitor shall not hold the Society responsible for any loss or damage to any exhibit caused either by misdelivery or accident. The exhibitor shall hold the society blameless and indemnity against any legal proceedings arising from such accidents or misdelivery.

RECOMMENDATIONS TO SHOWS CONDUCTING CATTLE COMPETITIONS

MEASURES TO MINIMISE RISKS OF BVDV TRANSMISSION IN SHOW CATTLE

Bovine pestivirus or BVD virus is usually transmitted by close contact between a persistently infected (PI) and a susceptible animal. If the susceptible animal is pregnant, there is a high risk of reproductive failure. The persistently infected animal sheds large amount of virus in virtually all of its secretions and excretions, including urine, faeces, nasal and ocular discharges, semen, uterine and vaginal fluids and milk. While the virus can be spread by aerosol (through the air) in fine droplets, the distance of this spread is limited. BVD virus can survive in the environment for a few hours but is inactivated by exposure to sunlight, high temperatures and desiccation. Factors that protect the virus from sunlight or drying out (eg cool, moist cloudy days or in manure pats) will delay inactivation of the virus. Cool moist, cloudy weather can extend virus survival for several days and up to 2 weeks in cattle dung.

To protect our stud breeders and the integrity of country shows the following guidelines will come into effect on 1st January 2013:

- Stud cattle section permitting only BVDV free (non-PI) animals to enter a show;
- Ensure complete segregation of commercial and known tested negative (Non-PI) (stud) animals;
- Untested animals should be separated at all times from susceptible animals by a distance of at least 10 metres;
- Susceptible females should be excluded from any area that has been occupied by untested animals for at least 24 hours unless all surfaces are hard and impervious and can be easily washed down. Such surfaces (eg concrete floors and rails) should be thoroughly washed down and allowed to dry;
- It is preferable for grassed areas to be utilised first by tested animals;
- In any grassed areas that must be used first by untested animals, once the untested cattle have been removed, all manure should be collected and the area left unoccupied for as long as possible and at least overnight;
- Ensure that vehicles and equipment used with untested animals are not used for tested negative animals until they have been thoroughly washed (liberally with water followed by a sanitiser such as an iodophor product) and allowed to dry.
- Shows conducting hoof and hook competitions, commercial cattle sections or sporting events, where untested cattle are involved, to carry out a risk assessment.
- Ensure that separate loading facilities are available for stud and non-tested cattle
- Led steers that are being housed and or judged on the same area as stud animals need to be Non PI.

Special Note: The Show Society and Beef Cattle Committee would like to thank all sponsors for their support and generous donations. All sponsors and trophy donors will be listed in the official Beef Cattle section program available on the day of the Show.
