23. Rider Fall: In the event of a fall by horse or competitor, it will be the decision of the Judge or Ground Jury, or if there is no Ground Jury, a representative of the organising committee, (informed if necessary by a doctor or medical officer in the case of a rider or a vet or horse welfare officer in the case of a horse), as to whether the rider or horse can continue to compete. Riders must be mounted on entering and leaving the arena on penalty of elimination. If during a workout, or on the circle there is a fall of horse and/or rider it will entail elimination from that class. If a horse leaves the workout area, other than at the direction of a judge or official, it will entail elimination from that class.

The Judge has the power to eliminate a horse or rider if it is deemed by the judge to be erratic and unruly.
