---

**HIGH POINT**

**Youth Highpoint** - Qualifying classes - All youth classes

**Non Pro High Point** - Qualifying classes - All non pro classes i

**Overall Halter High Point** - The highest scoring halter horse of the show. This is taken from any breed halter class where both Judge# 1 International and either Judge #1 or #2 Australian have judged together. Derivative horses will have their total score divided by 5 to get an average score which will be added as a sixth score to align with the Purebred scoring system. In the event of a tie the Halter judge #1 international score will determine the winner. Multiple Class scores are not combined

**Overall Ridden High point** - The highest scoring ridden horse of the show. This is taken from the one ridden breed class only where two judges have judged. Other classes do not qualify, multiple class scores are not combined.

**Members High Point** - Qualifying classes - All classes where member has exhibited their own horse

**Members Jackpot Highpoint** - Qualifying classes from Young Stars of the Future, SABS and Double Diamond Arabian Showcase. Only eligible members that have entered the jackpot highpoint prior to Youngstars of the Future are eligible.

A 10 point descending scale will be used for qualifying classes - 10 points for Diamond Champion , 9 points for Ruby Champion, 8 points for Emerald Champion. In classes with fewer than 10 entries the winner shall receive the point value equal to the number of horses in the class. (example 5 in class Diamond = 5 points, Ruby = 4 points, Emerald = 3 points.) Points for high point classes will be awarded as follows: High Point Award - 15 points, Runner up High Point - 12 points.

When there is a tie the rules are as follows: High Point award will be given to the competitor who has won the most championships; if the tie remains the Ruby championships will be counted, in the event that a tie still occurs the winner will be deemed by the competitor who has won the most first place awards where there is more than 5 competitors.
