**16.****RING 5: WORKING SHOW HUNTERS****Sponsored by BARASTOC SUPREME**

**This is NOT a practice day, horses entered in these classes and their riders MUST be competent at jumping the set heights.**

**Any horse/ rider deemed not capable of jumping by the judge safely will be automatically disqualified. Judge's decision is final.**

**Horses and riders MUST also be able to gallop safely in the flatwork phase!**

**Acknowledgement to WA EA for the following Working Hunter Horse competition information:**

**WORKING HUNTER RULES AND COMPETITION**

The Working Hunter Event is conducted in three phases:

- Jumping,
- Flat Work and
- In-hand.

The jumping phase is conducted first followed by the Flat Work and then the In Hand phases. Disobedience in any phase of the competition will result in penalties. Competitors eliminated in the Jumping Phase are not eligible to continue to the Flat Work phase.

The Flat Work Phase comprises of a workout like a show hunter and **includes a gallop** and a change of lead in canter. No Lengthen trot.

For the In-Hand Phase horses are unsaddled and judged on conformation as a hunter type. Horses and ponies are assessed while standing. No workout is necessary.

**Eligibility to Compete in Working Hunter Events**

- Horses/Ponies must be at least 4 years of age.
- Small Ponies to be ridden by rider 17 years and under- as per show horse rules
- Large Ponies to be ridden by any age rider
  - Horses over 15hds must have a rider over 12yrs
- Stallions are not eligible

**Working hunters:**

- To have correct conformation and soundness for riding and endurance.
- To have strong bone without losing quality ie; substance without coarseness.
- May have a more noble head than that a show horse.
  - Can carry their rider for a full days hunting over a variety of terrain.
- Exhibit boldness, be tractable, free moving and balanced
  - Work calmly and obediently without displaying over exuberance, but still be happy and eager in their work.
  - Have quality without fineness.
  - Show straightness and freedom of action at all paces.
- Show boldness and natural balance.
  - Have a steady temperament.
- Can be of any colour and breed. The Table below provides a Working Hunter cannon bone guide, usually measured just below the knee. It is not a requirement for a judge to measure the bone of a horse/pony entered in a working hunter event.

**HEIGHT BONE DIAMETER - guide**

- Under 14 hands high (142.25 cm) 6 inches (15.25 cm+)
- over 14 hands high to 15 hands high (142.25 – 152.5 cm) 7 inches (17.75 cm+)

## Turnout for Working Hunter Events

### 1. Rider's Attire

Preferably a tweed jacket, although plain navy or black fabric is acceptable. Tweed can be blue, green or brown mixture; the colour should go well with the mount. If a shirt is worn, the collar should tone in with the jacket with a subtle tie or a collarless shirt with a stock. Jodhpurs or breeches should be fawn, beige or banana. Gloves are plain and match the rider's boots. Clothing should fit well.

Riders must wear an approved safety helmet, for both riding phases, which may be covered in plain velvet in dark colour to match the jacket. Riders under 18 years are permitted to wear long boots or gaiters. Dummy spurs are permitted to be worn with points down. Competitors may carry crops to a maximum length of 75cms.

### 2. Saddlery & Equipment Saddle:

The saddle should be of good quality leather which is supple and clean and has sound stitching. It may be more "workmanlike" than for a ridden show class. A straight flapped, all purpose or jumping saddle may be used. The same saddle must be used for the two phases.

Side saddles are also acceptable.

### Other Gear:

A crupper and breast plates are permitted. A running martingale, bandages and protective boots are permitted in the jumping phase but must be removed for the other 2 phases. No bearing reins, side or running reins of any kind are permitted. Saddlecloth: A sheepskin saddle cloth matching the shape of the saddle is acceptable.

**Girth:** The girth can be cotton, leather or synthetic

**Bridle:** The bridle should be the same colour as the saddle, leather should be supple and of good quality.

Both phases must be ridden in a **snaffle bridle**.

**Brow bands: Only plain brow and nose bands permitted**, however stitching on the noseband and the brow band is optional.

### 3.

**Horse Manes** should be plaited; **tails** plaited or pulled.

False tails are permitted.

The horse's coat must be clean, with excess hair removed.

Hooves oiled or blackened.

Quarter markers and make-up **is not permitted**
