- **Judges listed in the schedule are subject to change if necessary. Order of classes and the rings they are in are subject to change in order to avoid events clashing and in order to finish rings together** While every attempt will be made when timetabling to avoid class clashes this cannot be guaranteed in a show of this size. The order of classes will change in an attempt to avoid the majority of clashes, but the day of competition will not. Start times are approximate and will be varied slightly to minimize clashes.
- **There will be no refunds of any kind** unless the show is cancelled and these will be issued according to the Show Regulations of the Society.
- **Stabling and camping** must be booked at the time of entry. As portable stables may need to be brought in, it will not be possible to allocate last minute stables if none are available and only as many as are needed will be ordered. Interstate and distance exhibitors will be allocated stabling in the first instance. **Stables – you may use whatever bedding you would like. There are a number of local feed and bedding distributors, a list will be made available shortly. Although no stable bond is required please be aware that should you damage a stable you will be invoiced for the cost of repair and failure to pay will result in refusal of entries in future years. Permanent stables need to be left clean although not stripped out, portable stables can be left dirty. For people who would like to pay someone to bed down &/or clean out their stables please contact Kirsty 0413688174 or Jan 0484261028 before the show.**
- **Donations towards awards** are very much appreciated. If you wish to donate towards a specific award, please advise.
- **Committee will not be held responsible for advertised sponsorship that is not forthcoming.**
- Swabbing for prohibited substances will be conducted at the show. It is a condition of entry that exhibitors always cooperate with the swabbing steward and veterinarian.
- There is an expectation that exhibits eligible for Supreme Awards will contest the award. Failure to compete without an exemption from the Show Organizer will result in all prizes being forfeited.
- Please note - you ARE ELIGIBLE to enter both Welsh & Hunter or Part Welsh & Hunter classes or Part Welsh & Open Show classes
- Please note that you ARE ELIGIBLE to enter both the Veteran and Open classes
- Show Pony classes – Part Welsh only eligible. You can enter Show Hunter or Show Pony classes but not both.
- Please refer to the Society Show Regulations (published in each edition of Action) for all events & in particular the definition of Novice.
- **Foals are only eligible for foal classes unless they are registered at the time of entry** in which case they are eligible to compete for further awards applicable to their sex

The criteria for the HOME PRODUCED awards are:

- **Horses must not have been resident in a professional or producer or trainer's stables for a period of at least 6 months prior to the competition. Any horse competing in a home-produced class must not have received its primary care, training and/or preparation from a professional, producer or trainer for a period of at least 6 months prior to the competition. Residence for stud/breeding work is permitted.
